to the man: Henry Pote; who at times acts as lawyer under the style Grace Lawyers Pty Ltd;

and to the man: Brenton Schoch; who at times acts as partner under the style Grace Lawyers Pty Ltd;

i: a man: glenn-john; greeting;

i state, i have paper with the mark Grace Lawyers Pty Ltd, dated fourteen May two thousand and twenty-six, bearing reference 250864.1; paper one;

i state, i have paper styled Form 2 Claim, bearing the mark of the Magistrates Court of Queensland, filed on fifteen January two thousand and twenty-five, bearing number M693/25; paper two;

i state, i have two papers styled Form 6 Notice of Intention to Defend, raised through the court record on behalf of the First Defendant and Second Defendant; paper three;

i say, the Form 6 papers spoke only in the form and style of the court record, and not as the voice of i: a man;

i say, i abandon the Form 6 papers, so no man may use them as surety or attornment by i for the defendants;

i say, paper did not create i;

i say, these papers are directed to names and persons made by paper, and not to i;

i, ask whether thee relies upon first-hand knowledge, or only upon email addresses, ledger entries, account records, and papers, to say i am the man liable for the name written in thy claim;

i state, therefore i do restore these papers to thee as misdirected and abandoned paper, with the paper called abatement;

i say, an abstract body cannot itself act, claim, allege, demand, or suffer harm;

i say, therefore, if i am the man thou seeks, then let the man or woman making the claim write to i by this expressed name, glenn-john, at this place for paper:

mullens reach

upon the balmain peninsula

on australia, at the part known as new south wales

near the meeting of mullens and reynolds

left of the sign estetique

i say, this is the way i accept correspondence in this matter;

i do not accuse;

i ask, for the true claim and the remedy due;

i say, where one of mankind makes a claim that is true, and shows harm caused by i, i provide remedy in private, to end controversy;

i say, all herein is true, as one accountable to the Lord Jesus Christ;

by: glenn-john;

twenty-ninth, may, in the year of the Lord two thousand and twenty-six;
